Subject: Cash Flow & Business Law - Free Events

To:

Friends,

Owning and operating a small business is part science and part art. "You can't manage, what you can't measure" is one way to describe the need of small business owners to understand the numbers of their business. There are a couple workshops coming up that you will want to consider to help you better improve your operations and profitability. One event is for existing business owners and the other is open to all entrepreneurs.

Sincerely,

Frank

Join Los Angeles Mayor's Office of Economic Development and BusinessSource Center hosted by PACE for a workshop on the importance of understanding business cash flow and how to better manage working capital.
